QUOTA INTERNATIONAL OF NEGROS ORIENTAL

November 04, 2014

DR. SALUSTIANO T. JIMENEZ, LL.B., CESO VI
Schools Division Superintendent
Division of Negros Oriental
Negros Oriental, Philippines

Dear Dr. Jimenez:

Greetings of Peace & Abundance!

It is with utmost respect and humility that I humbly endorse the organization I am affiliated with – **Quota International of Negros Oriental (QINO)**. Quota International is a non-profit organization known especially for service and empowering women, children, and the deaf, hard-of-hearing, and speech-impaired in local communities around the world. Its motto, “*We Share*”, empowers members to develop friendships, encourage others, and promote international understanding. It was founded in 1919 and is one of the oldest international service organizations for women. Today, more than 5,600 men, women and youth in North America, South America, the Caribbean, South Pacific, Southeast Asia, and Europe have offered themselves in becoming instrumental in changing the lives of 269 communities in 12 countries.

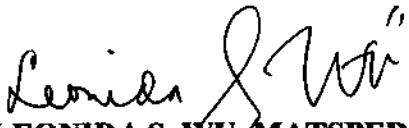

In line with this, the local organization QINO is partnering with YMCA Negros Oriental, who hosted the visit of the *Minstrels of Hope*, a very talented choral group, whose members’ ages are 16-23 years. They come from urban poor families and have helped in different ways through various institutions and individuals over the past several years. These individuals decided to come together and reach out to the poor in some depressed areas of Manila by sharing their skills and talents, making their potential available to the poorest of the poor as their way of giving back whatever they, too, have received. With their passion, the nature of their endeavor is in making a difference. The choral group has already been to Canada (2004) and Thailand (2008 & 2009) for concert tours and have just concluded its 2nd European Tour. Among the countries they have visited in those events were Spain, Germany, Austria, Switzerland, Belgium and France. This time with the linkages between YMCA NEGOR and YMCA Canada – the *Minstrels of Hope* will be performing in various parts of the Philippines, including Dumaguete City.

Consequently, QINO is going to sponsor “*The Minstrels of Hope Concert for a Cause*” on November 19, 2014 (Wednesday) at 6:30 – 8:00 o’clock in the evening. The concert aims to donate a 1-storey building SPED classroom. It has chosen Negros Oriental High School as the pilot recipient. It also aims to highlight the province of Negros Oriental and, at the same time, hopes to establish good international relations, for this will be published in QINO’s international website: Quota.org. The said concert is for free admission; however, QINO will be sending sponsorship letters to willing donors to help build the project. This is QINO’s way of responding to the Philippine Education’s ‘No Child Left Behind’ policy and Enhanced K-12 Program.

I am *Leonida Soliva Wu*, a professor and consultant in Special Education, a strong advocate for persons with disabilities, and an active member of YMCA NEGOR for youth and advocacy services. *May I respectfully request your good office to invite schools in the province to send their high school students to witness the said concert for the sake of advocacy and awareness, Dr. Jimenez?*

I am fervently looking forward to a favourable response. God bless us all and our endeavors.

Sincerely,

LEONIDA S. WU, MATSPED
